 Digital Assets and Climate Report Outline 042922 oar.docx

All,

Trying to land a good time for a recurring weekly so hope this works.

Have updated the outline a bit based on feedback with last discussion and other comments via email. Focus is mostly on Section 2 and welcome edits elsewhere particularly if there might be items we can contribute or where we should not. Please also identify sections that you and/or others here can help draft. I'd like to focus on this for our next meeting and will also let you know if I hear more feedback from the AO or OSTP.

Finally, am trying to do some recruiting and hope to enlist a few others with our next mtg.

Thanks!

John
